

RE: W. R. BOHON HEALTH CLINIC

Thank you for choosing Dr. Jarrell and Tracy Stuckey, CNP, as your health care providers. All paperwork should be returned with copies of insurance cards, including Medicare part "D", if this applies to you. Once we have received your completed packet and insurance information, please allow us sufficient time to obtain your medical records before we are able to call to schedule your initial appointment.

- Please include all physicians or facilities we can obtain records from on the "Authorization for Release of Medical Information", so we can piece together an accurate medical history on you.
- Please include over the counter medications on your medication list and be sure to bring all medication bottles to your first appointment.

Call us as soon as possible if you need to reschedule your initial appointment. We thank you in advance and we look forward to providing you with the best of care.

Notice of Health Information Practices Purpose

This notice describes how medical information about you may be used, disclosed and how you can retrieve access to this information. *Please review it carefully*.

Elder Care believes that the information we gather about you is of a very private nature. We are dedicated to keeping this information confidential. The records we created in providing you with care are by law kept confidential. We are also required to inform you of our policies concerning the use and storage of your personal health information.

Elder Care maintains the right to update our Privacy Notice. Your personal information will always be maintained by our current policies designated in our current Privacy Notice. If you have any comments or questions about our Privacy Notice, you may contact our Office Manager: (918) 336-8500 x 106.

Privacy Policy

The following describes the manner in which we will use and disclose your personal health information:

- 1. We may collect and share appropriate information about you to document the necessity of equipment, supplies or services we are providing. Examples include diagnosis, prescription, referral and physician or health care provider information.
- 2. We may share appropriate information about you to bill and collect payment for the health care we provide to include insurance companies and third parties, which may include family members or other financially responsible parties for which you have given us the information. Examples include insurance coverage and eligibility verification.
- 3. We may use and disclose information to monitor and operate our business. Examples include health care outcomes and utilization reporting, reports provided to any federal, state, or local authority (as required by law), or to remind you of services needed.
- 4. We may release appropriate information about you to family or friends that you have designated to help you with the financial responsibilities incurred while receiving services from us.
- 5. We may use and disclose information about you to respond to a court or legal authoritative body that legally requests information about you. Examples include providing documents for legal subpoenas or discovery proceedings or our staff testifying about the care we have provided.

The following describes your rights to the information we maintain about you:

- 1. You have the right to direct the use of your personal health information.
- 2. You have the right to request termination or revision of your authorizations or consents that pertain to our use of your personal health information and have those terminations or revisions affect any of our service provisions. We are not required to accept your terms. If we do accept your revisions, we will honor your specifications, except where prohibited by law. All requests must be in written form.
- 3. You have the right to request a copy of your personal health information as long as any federal, state or local law does not prohibit it. This request must be in writing. There may be a charge for copying, producing and delivering your information.
- 4. You have the right to request, in writing, a revision to your personal health information. Revision requests will be evaluated on an individual basis and amended if appropriate. Your written request must detail the requested revision and the reasons for the modification. If no explanation is provided, no revision will be made. If we deny your request for amendment, you have the right to file a statement of disagreement.
- 5. You have the right to request an accounting of non-routine disclosures we have made with your personal health information.
- 6. You have the right to file a complaint about the use of your personal information with us or the Secretary of the Department of Health and Human Services.

Bohon Health Clinic Elder Care Consumer Consent Form

Our notice of Privacy practices provides information about how we may use and disclose protected health information about you. You have the right to review our notice before signing this consent. As provided in our notice, terms may change. If we change our notice, you may obtain a revised copy by asking an Elder Care Privacy Officer for one.

You have the right to request that we restrict how protected health information about you is used or disclosed for treatment, payment or healthcare operations. We are not required to agree to this restriction, but if we do, we are bound by our agreement.

By signing this form, you consent to our use and disclosure of protected health information about you for treatment, payment, and health care operations. This form will stay in effect until revoked by you or the responsible party. You have the right to revoke this consent, in writing, except where we have already made disclosures in reliance on your prior consent.
