

# THE THE GOOD THE BAD (BBQ)

February 1, 2022

Saddle Up!

We are making plans for the biggest, baddest, barbecue ever! After 2 years of not holding Elder Care's annual fundraiser, *The Good, The Bad and The Barbeque*, we are making plans for the largest participation in Elder Care's history. This come-back event will be hosted by the Robert Hughes family at their ranch on Highway 123 just minutes southwest of downtown Bartlesville.

The Hughes Ranch will offer guests an opportunity to explore an exciting new venue while still enjoying all the great things the event is known for-- great music, delicious food, and lively auctions.

Best of all, the proceeds from the Barbeque directly benefit Elder Care's many programs for seniors and caregivers in Washington, Nowata, and Osage counties.

Last year, Elder Care provided services to 1,500 senior adults, addressing issues ranging from simple housekeeping and meal preparation to the complex challenges associated with the physical and emotional management of Alzheimer's disease. We are equally committed to providing a voice for seniors that might otherwise go unheard.

Our programs have been recognized with a commendation from the Oklahoma State Legislature, a top award from the Oklahoma Center for Nonprofits and awards from both the Aging Services Division of the Oklahoma Department of Human Services and Leading Age Oklahoma.

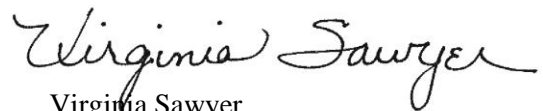

*The Good, The Bad and The Barbeque* will be at the Hughes Ranch on Saturday, May 7, 2022, from 6-10 PM. We hope that you will be a sponsor for the event and continue to assist us in meeting the needs of seniors and caregivers throughout our community.

Thank you for your consideration of our request. Please contact Angie Thompson, Development Director, at [AThompson@AboutElderCare.org](mailto:AThompson@AboutElderCare.org) or (918) 336-8500, ext. 129 for additional information.

See you at the BBQ!
